

# ALPHA-M 38W

## Adjustable Tracklight

**Classic Series**

Proven. Quality. Customisable

Track lighting is used because of its flexibility in positioning fittings, and removing or adding fittings to achieve the correct luminance levels. It can focus the viewer's attention onto a piece of art work or display.

Alpha S perfectly combines design and function. Optimized passive cooling system ensures low temperature and long lifetime of LED.

The Alpha Track Light is an architectural design, a high lighting quality, with optimised efficiency. Ideal for museums, art galleries, restaurants and reception areas.

**IP20**
