# ASTON MK-II 15W

## Recessed Profile

The ASTON MK-II Linear Series are a sleek, modern style perfect for commercial architecture. Depending on the height and type of ceiling, you can choose to either surface mount or suspend the linear profiles. A third, slightly less common mounting method, is to recess the lights directly into the ceiling.

The ASTON 15W Linear Recessed Profile is used for modern areas to achieve a minimal appearance. Smooth lines give a subtle, crisp look. The MK-II version features a low-glare, prismatic diffuser.
