

# AZTEC 20W

## Industrial Grade Floodlight

dynamic series

Efficient. Cutting Edge. Reliable

The 20W AZTEC LED Floodlight is a stylish slimline design, giving a wide beam spread for an even light coverage. Tempered glass with a hard-wearing, anti-corrosion finish.

Security lighting is becoming increasingly important. LED flood lights are now producing more light than ever for the illumination of domestic and commercial outdoor spaces. Huge savings can be made on power consumption over the life of the fitting. Also used for Signage Lighting. Five year replacement warranty. Removing the plug does not affect the warranty.
