

# DELTA 10W

## Up/Down Exterior Wall Light

The DELTA 10W Exterior Light is a cylindrical design with two fixed light beams shining up and down. It is suitable for various facade lighting applications, including accent lighting, building columns, and architectural highlighting.

Designed with a one-piece body, integrated driver housing, and protective glass lenses on the two light heads, this modern luminaire provides a stylish solution for outdoor wall-mounted lights. A mounting plate is also included.
