Efficient. Cutting Edge. Reliable

# DEX 60W

## Industrial Streetlight

The DEX 60W LED streetlight offers a reliable and modular LED solution for retrofits and new installs. The high output 60W Epistar LED chip features a Batwing distribution lens system to ensure a wide and even spread of light, which is perfect for paths and walkways. The architectural design heat sink maximises cooling of both the LED chips and driver for greater system reliability.

The Dex Streetlight Range are designed for exterior applications where design and style matters. Suited for carparks, boardwalks and common thoroughfares.
