DIVAR 24W

Up/Down Exterior Wall Light

The Diomede DIVAR is a slimline outdoor wall light with a two-directional light beam that blends seamlessly with modern exteriors. The integrated LED is housed behind a sealed prismatic glass allowing for high lamp efficiency. The waterproofing mechanism on the installation side is achieved through overlapping components, and not through mechanical pressure, ensuring a perfect IP65 enclosure. Image shown in Sand. Premium Quality, Italian Made product.

IP65

MADE IN ITALY

SPECIFICATIONS

Material Specifications

Material	EN47100 die-cast aluminium base, powder polyester coated, tempered transparent glass
Dimensions	197mm(L) x 70mm(W) x 197mm(H)
Ingress Protection	IP65
Warranty	5 Year Replacement

Electrical Specifications

Power Supply	Integrated
Max. Loading	24W
Input Voltage	240V

Optic Specifications

Light Source	MID Power LED
Optics	19°/32°/65°
CRI	80Ra
Rated Lifetime (L70B20)	50,000 Hrs
