

# MODULO-A 4.5W Rectangle Surface Step Light

**diomede**

let there be light

The Modulo A is an IP rated compact path light ideal for both indoor and outdoor applications.

A marine grade aluminium alloy housing treated with polyester powder coating makes the Modulo A family suitable for installation in the most harsh environments. The anodised aluminium reflector in silver or optional specular brass also gives to the Modulo an innovative and modern look. This versatile wall light offer a range of IP rated or Non IP rated remote drivers that can be easily integrated in any home or professional automation systems. Premium Quality, Italian Made product.

**IP65** **MADE IN ITALY**
