

ZEUS 10W

115mm Bollard

diomede

let there be light

The ZEUS 10W Exterior Bollard Light features a durable die-cast aluminium body and a tempered clear glass screen, screen-printed and mechanically secured with silicone glue for optimal strength. It provides diffused downward lighting. Image is shown in Sand. Powder polyester coating over a treated layer ensures corrosion resistance, with four standard colours available. Anchor bolts and connectors for ground installation are sold separately. Diomede product is a Premium Quality, Italian Made product.

IP65

MADE IN ITALY
