

EMERGENSEE One 3W

Recessed Emergency Light

The Emergensee One takes advantage of innovative technology to integrate a lifetime-warranted ultra-bright LED, intelligent controls, and high capacity battery into one compact and aesthetically pleasing uni-body chassis.

This ceiling recess IP20 emergency light provides dependable and distinct illumination when it is needed the most and suits all internal general applications including offices, shopping centres, commercial properties, and residential buildings.

Synthium nanotechnology is an advanced environmentally-sustainable energy development that offers extended battery life, low cost of ownership, enhanced performance and improved safety.

SPECIFICATIONS

Material Specifications

Material	Flame - Retardant Polycarbonate
Mounting	Recess Mounted - Ceiling
Dimensions	100mm Face Dia
Cutout	70mm
Ingress Protection	IP20
Weight	1.0Kg
Warranty	5 Year Replacement
Accessories	Adaptor Plate: Cutout 150mm, Dia 160mm

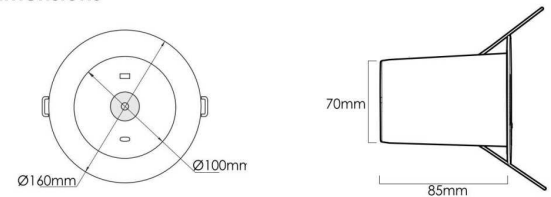

Electrical Specifications

Input Voltage	240V; 50Hz
Battery & Charger System	Synthium Battery w. Intelligent 3-stage charger & battery management
Protection	Overcharge, low voltage disconnect, overcurrent, short circuit
Mode of Operation	Non-Maintained
Connection Method	Australian Plug + 1.2m Lead
Emergency Duration	>120 Minutes
Testing Facility	Manual Test Switch
Indicators	Battery Charge Green LED

Optic Specifications

Light Source	Syclops 3W High Performance LED
LED Wattage	5W (2W Standby)
AS2293 Classification	C0-D40, C90-D40
