

# EMERGENSEE One 3W

## Recessed Emergency Light

The Emergensee One takes advantage of innovative technology to integrate a lifetime-warranted ultra-bright LED, intelligent controls, and high capacity battery into one compact and aesthetically pleasing uni-body chassis.

This ceiling recess IP20 emergency light provides dependable and distinct illumination when it is needed the most and suits all internal general applications including offices, shopping centres, commercial properties, and residential buildings.

Synthium nanotechnology is an advanced environmentally-sustainable energy development that offers extended battery life, low cost of ownership, enhanced performance and improved safety.

### SPECIFICATIONS
