

ESSENCE 15W

ESSENCE 15W Adjustable Can Light

dynamic series

Efficient. Cutting Edge. Reliable

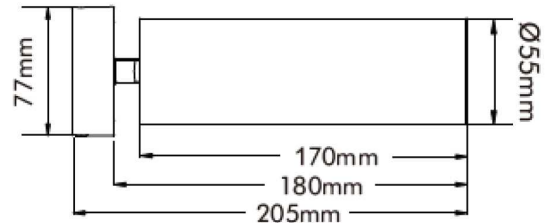

The ESSENCE Can Light is suitable for applications such as restaurants and retail spaces because of its unique flexibility in positioning the direction of the light, making it perfect for task lighting or feature lighting. With a 60° beam angle and changeable colour temperature, the ESSENCE range is perfect for a versatile environment and can set the mood in any room.
