

ESSENCE 30W

Adjustable Tracklight

dynamic series

Efficient. Cutting Edge. Reliable

Track Lighting is popular in applications such as museums, art galleries, restaurants, and retail spaces because of its unique flexibility in positioning the direction of the light, and the ability to add or remove fittings to achieve the desired luminance levels. With a 60° beam angle and changeable colour temperature, the ESSENCE Track Light is perfect for a versatile environment and can set the mood in any room.

IP20
