

# EXODUS AQUA65 4W

## Weatherproof IP65 Exit Light

Synthium LED Surface Mounted Weatherproof IP65 Exit Light c/w Synthium Battery. The AQUA65 is a sturdy wall-mounted LED Exit Light that is designed to withstand external environments and harsh weather conditions. It produces excellent illumination with a long-lasting battery for years of dependable exit lighting.

It has a robust, water-tight polycarbonate enclosure, providing excellent protection against water and dust. Suitable for Car Parks, exposed stairwells, indoor swimming centers, construction zones, train stations, and cool rooms. C0-D6.3, C90-E3.2

Using a remote box for the battery allows an operating temperature of -30°C to +40°C.

Viewing distance 24m.
