# LYGON 20W

## Exterior Bollard Light

Our design inspiration for the LYGON 20W Bollard was a lighthouse standing as a beacon of guidance and leading the way. We have incorporated the latest available technologies in a refreshingly sleek design. This spectacular LED bollard will incorporate itself beautifully into modern and classically designed projects while providing the perfect pathway lighting for navigating the space.

LYGON 20W Bollards are a great outside lighting design feature. Suitable for enhancing Outdoor space and Garden Design - in addition to providing illumination for after dark safety.

**IP65**
