FERNHURST 60W

Modern Post Top Light

The FERNHURST 60W Post Top Light is a Classic Design, providing an amazing architectural solution. FERNHURST 60W Post top light fittings for roadways and housing estates, offer an alternative look to the traditional top and side entry light fittings. The engineered anti-glare design gives a soft, subtle light.

It has a vertical post-top mounting. Suitable for applications including city parks, community precincts, urban landscapes and pedestrian security. Driver cannot be remote mounted. Designed for 3m-6m pole height. Pole available separately.
