GROVE 3.5W

Recessed Wall Light

The GROVE is a recessed stair light available in white or black finish to blend with modern interiors. Designed in Europe, it offers smart styling yet effortless simplicity, ideal for stairwells and hallways where it creates artistic but stunning and homely shadows. Compact and low profile, its recessed design sits flush with the wall, perfect for narrow spaces. With an IP20 rating, it should not be used in moist or damp areas.
