

Light Pole 15m

Tapered Octagonal

Specifically designed to provide a stable platform for Decrolux lighting fixtures our range of tapered octagonal poles excel at withstanding extreme winds and other weather conditions. Available in custom heights from 4.5 to 35 metres our octagonal poles are fabricated to ensure increased stability and uninterrupted lighting no matter their height. Perfect for sporting, commercial, industrial, and other uses these towering lights can come with additional features such as climbing rungs, platforms, and lightning protection rods to ensure the ongoing safe operation and easy repair of both the pole's internal and external components.

Tapered Octagonal Light Pole 15m Light Duty is a 2 section tapered pole, with a 300mm slip join.
