

INFINITY 10W Tunable White LED Strip Light CRI95

Classic Series

Proven. Quality. Customisable

The INFINITY Tunable White LED Strip Series is a neat, unobtrusive means to layered lighting. This beautifully small 8mm strip fits into almost any nook or cranny, whilst providing your home or work space with a gorgeous glow. Perfect for spaces with intimate settings and low light requirements, applications could include soft lighting under bench tops, behind a bar and recessed in tight cavities in walls and ceilings to animate dark spaces with light. The 10W LED Strip utilises the latest generation SMD 2216 Chipset and is mounted on 8mm PCB backing. Wire Tails are 20cm in length.
