

# INVICTUS 1500W

## Sports Floodlight

**Classic Series**

Proven. Quality. Customisable

The INVICTUS 1500W Floodlight is a striking, low-profile design and advanced in-built thermal management. Made in Australia. The latest generation floodlight is a highly reliable fitting that requires very low maintenance. Producing a vivid white light that renders colours as they are meant to be seen, this revolutionary fitting has helped redefine high-output illumination as we know it.

Using a versatile 240V-415V remote driver, it has an inbuilt thermostat, which will dim the light to 25% if the lights are overheating. \*When installed correctly, these lights are guaranteed with a 10-year warranty.

Sail Area @ 40 degrees = 0.320.
