JARDAN 60W

Aisle Track Light

The JARDAN Aisle Track Light combines the benefits of high bay and linear lights, providing up to around 140lm/W luminous efficacy, CRI90, and a 5-year warranty to save on energy and maintenance costs. It's modular and tool-free for easy installation, and its controllable features and seamless linkable system make customisation and integration a breeze. With multiple and mixed beam angles, it's perfect for schools, offices, shops, and supermarkets. It's also compatible with traditional track rails, making it an ideal choice for both new and existing installations.
