LINX 11W

Linear Downlight Fixed

The LINX 11W Linear Recessed Downlight is an ultra-compact LED marvel. Experience unparalleled glare control with its lens and reflector fusion. Boasting a five module, linear light design and high CRI, it radiates commercial-quality brilliance. Choose between 24 or 40° beam angles to suit your needs. The secondary reflector is available in black, white, silver, and gold options. With a five year warranty, illuminate your space with confidence and elegance.
