

LYGON 10W

Exterior Bollard Light

Lifestyle Series

Style. Attitude. Luxury

Our design inspiration for the LYGON was a lighthouse standing as a beacon of guidance and leading the way. We have incorporated the latest available technologies in a refreshingly sleek design. This spectacular bollard will incorporate itself beautifully into modern and classically designed projects while providing the perfect pathway lighting for navigating the space.

LYGON 10W LED Bollards are a great outside lighting design feature. Suitable for enhancing Outdoor space and Garden Design - in addition to providing illumination for after dark safety.
