

# LYNE 3030 Corner Aluminium Profile

**Classic Series**

Proven. Quality. Customisable

The LYNE 3030 Corner Profile is a surface mounted corner extrusion with sufficient depth to reduce light hot spotting. Available in 2m lengths, but can be cut to length before supply. Channels on the sides of the profile allow you to clip the profile into metal clips. Plastic End Caps come in pairs. One having a hole for the wires to pass through.

**IP20**
