Efficient. Cutting Edge. Reliable

MICHIGAN 15W

Recessed Downlight

The MICHIGAN 15W downlight is dimmable, constructed with a thermal heatsink included to ensure the downlight disperses any heat keeping it cool to touch. Used by builders, developers and a favourite with electricians. The MICHIGAN Downlight is a cost effective wide beam downlight built to withstand years of use. Perfect for all purpose use in any home or commercial, including retrofits.
