

NEO DR8

6W LED Downlight Module

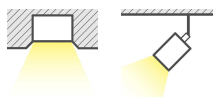

Classic Series

Proven. Quality. Customisable

The NEO DR8 LED 6W downlight module is the perfect retrofit kit for residential applications. Premium Architectural Downlight, designed for Australia. Complete package in one box; LED Module, Dimmable Driver, Plug and Lead. Fully compliant with Australian Standards. Just add a mount ring of your choice to complete the kit.

Designed for retro-fit applications, the DR8 offers contemporary styling, and is purpose built to fit all leading flush mount and gimbal MR16 luminaires.
