NEO-G Maxi 11.5W

IP68 Ground Light

The NEO-G LED Ground Lights are marine grade quality, covered with a five year warranty. Capable of being completely submerged, these lights are great for pools, driveways, ponds and decks. Can be installed in concrete or gravel. 8mm tempered glass lens supports 2000kg drive over, manufactured with high quality anodized aluminium outer casing. These LED recessed fittings have a stainless steel (316L) front face protecting them from water including salt water and general corrosion. Driver sold separately. This product is not dimmable. Now featuring a honeycomb lens for reduced glare.
