

NEO RGBW

Downlight Module

The NEO RGBW Downlight Module is a commercial-grade DMX RGBW LED downlight designed for seamless integration into various downlight trim sizes. Featuring advanced DMX control, it delivers vivid, customisable RGBW lighting, perfect for commercial and architectural applications. With high-efficiency LED technology, it ensures bright illumination with energy savings and long-lasting performance. Its modular design allows easy installation, making it an ideal solution for dynamic lighting environments. Enhance any space with versatile, high-quality lighting effects tailored to your needs.

SPECIFICATIONS

Material Specifications

Material Aluminium, with Tempered Glass Cover

 $\begin{array}{ll} \textbf{Dimensions} & 78.5\text{mm (H)} \times 50\text{mm (Dia)} \\ \textbf{Mounting} & \text{Suits any NEO Mount Rings} \\ \end{array}$

Ingress Protection IP44

Warranty 3 Year Replacement

Electrical Specifications

Power Supply Remote

LED Wattage R = 6.2W, G = 8.4W, B = 8.4W, W = 7.4W

Input Voltage 240V

Connection Method Australian Approved 2-Pin Plug & 1.0m Lead

Optic Specifications

Light Source Epistar LED

Correlated Colour Temperature RGBW. W = 3000K

CRI 80+

Nominal Lumens 960lm (3000K)

Beam Angle 70°

 Reported L70 (Hours)
 > 50,000 Hrs

 Calculated L70 (Hours)
 150,000 Hrs

VARIATIONS

LC5205 NEO RGBW Downlight Module, 240V, 70°, W = 3000K, 960lm
