

# PONTIAC 4W

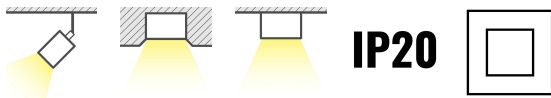

## Retractable Downlight

**Classic Series**

Proven. Quality. Customisable

**PONTIAC 4W Retractable Downlight** offers exceptional flexibility in a compact, minimalist form. Designed for both residential and retail lighting schemes, its miniature size allows for discreet installation without compromising performance. Featuring direct illumination through a precision 30° optic reflector, it delivers focused lighting exactly where it's needed.

The fixture is **350° rotatable** and **90° tiltable**, enabling dynamic light direction and creative layout possibilities—ideal for accent lighting, product displays, or architectural highlights. Its **retractable design** enhances versatility, while the **compact power supply** fits easily through the hole cutout for streamlined installation
