

PUMA 8W

LED Grill Bulkhead

dynamic series

Efficient. Cutting Edge. Reliable

The PUMA Grilled Bulkhead is ideal for both interior and exterior applications in residential and commercial spaces. With an inbuilt LED, it is a low maintenance fitting suited for public areas, engineered to meet vandal resistant requirements. With cast aluminium housing and a polycarbonate lens, it is a robust fitting with an IP54 weatherproof rating. Designed for ultimate flexibility with wall or ceiling mount options. Available in black or white.
