

RONAN 40W

Exterior Wall Light

dynamic series

Efficient. Cutting Edge. Reliable

The RONAN 40W outdoor slim wall light is a durable option for upgrading traditional Slim Wall Pack light fixtures. Made with aluminium triangle extrusion and polycarbonate with a black powder coat, the light is weather-resistant and long-lasting. This light is easy to install and requires minimal maintenance, while its low-profile design makes it ideal for outdoor spaces that require lighting without being too obtrusive, and its asymmetric optic makes it dark sky friendly.

SPECIFICATIONS

Material Specifications

Material	Die-Cast Aluminium, Polycarbonate
Colour	Black Powdercoat
Dimensions	282mm (L) x 125mm (D) x 205mm (H)
Ingress Protection	IP66
Impact Rating	IK08
Warranty	5 Year Replacement
Options	PE Cell (special orders)

Electrical Specifications

Power Supply	Integral
Operating Temperature (Ta)	-30°C to + 45°C
Input Voltage	240V
Connection Method	Hard Wiring, Large Internal Cavity

Optic Specifications

Light Source	Osram LED 2835, Linear PCB
Optics	T3
Delivered Lumens	6,089lm (4000K)
Efficacy	Up to 152lm/W
CRI	> 80Ra
Colour Deviation	SDCM ≤ 3
Calculated L70 (Hours)	190,000 Hrs
Calculated L80 (Hours)	120,000 Hrs
Calculated L90 (Hours)	59,000 Hrs
