

SIDNEY 6W

Exterior Ceiling/ Wall Light

Lifestyle Series
Style. Altitude. Luxury

The SIDNEY is a versatile lighting solution that seamlessly blends elegance and durability. Designed for both wall and ceiling mounting, it adapts to various spaces effortlessly. Its transparent or opal glass shade, featuring wave, convex, or prismatic cuts, creates striking aesthetic accents, perfect for bathrooms and corridors, indoors and outdoors. With an IP65 rating, it resists moisture, ensuring reliability in wet environments. With CRI>90 for enhanced illumination, a CCT switch for selecting 2200K, 2700K, or 3000K, and six decorative ring colours, you can customise the SIDNEY to suit any space. Black base as standard available option.
