

STRAW 15W

Tube Pendant

Classic Series

Proven. Quality. Customisable

The STRAW 15W Tubular Pendant Light is a modern standout feature. When suspended from the ceiling, it illuminates the room with a warm, comfortable spread of light. This contemporary pendant boasts a white acrylic shade, red metal canopy, red cord, and red top/bottom cover, with a 1.5 metre suspension. Reminiscent of McDonald's drinking straws, it is perfect for creating a big impact, especially when installed in rows for a captivating visual display.

Used in McDonald's Family Restaurant Fitouts throughout Australia.
