

# TEMPO 10W

## Round Surface Can Light

dynamic series

Efficient. Cutting Edge. Reliable

The TEMPO 10W is an architectural can light, designed and built with ultimate flexibility in mind. It has an adjustable lighting direction: 360° horizontal and 23° vertical. The compact design with a built-in driver ensures simplicity of installation. This quality downlight is perfect for hard-to-cut surfaces like concrete ceilings. Quick-connect terminal for easier installation.

Available in black and white.
