

VERNE 25W

Exterior Bollard Light

Lifestyle Series

Style. Attitude. Luxury

Our design inspiration for the VERNE Bollard was a lighthouse standing as a beacon of guidance and leading the way. We have incorporated the latest available technologies in a refreshingly sleek design. This spectacular LED bollard will incorporate itself beautifully into modern and classically designed projects while providing the perfect pathway lighting for navigating the space.

VERNE Bollards are a great outside lighting design feature. Suitable for enhancing outdoor spaces and garden design - in addition to providing illumination for after dark safety.

IP66
